WEBSITE GOES GORGEOUS

We are excited to introduce our newly designed website (go to inlandcrafts.org). With ease you can view samples of participating artists' work, our history, intent and show information. We keep this up to date, so the web site serves artists and patrons all year long.

NEWS IN A BOTTLE

Especially note: "News in A Bottle" image on the homepage. The message will change frequently and feature tidbits about the artists and their work.
